VOSSCHEMIE

according to Regulation (EC) No. 1907/2006

Carsystem Rallye Spray Premium schwarz matt

| Version | | Revision Date: | Date of last issue: 17.02.2021 |
|---------|---------|----------------|---------------------------------|
| 1.2 | GB / EN | 30.06.2021 | Date of first issue: 24.10.2019 |

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

| Classification (REGULATION (EC) No 1272/2008) | | | |
|--|---|--|--|
| Aerosols, Category 1 | H222: Extremely flammable aerosol. H229: Pressurised container: May burst if heated. | | |
| Eye irritation, Category 2 | H319: Causes serious eye irritation. | | |
| Specific target organ toxicity - single ex- posure, Category 3, Central nervous system | H336: May cause drowsiness or dizziness. | | |

2.2 Label elements

Labelling (REGULATION (EC) No 1272/2008)

| Hazard pictograms : | |
|-------------------------------------|--|
| Signal word : | Danger |
| Hazard statements : | H222 Extremely flammable aerosol. H229 Pressurised container: May burst if heated. H319 Causes serious eye irritation. H336 May cause drowsiness or dizziness. |
| Supplemental Hazard : Statements | EUH066 Repeated exposure may cause skin dryness or cracking. |
| | Buildup of explosive mixtures possible without sufficient ventilation. |
| Precautionary statements : | Prevention: P210 Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. P211 Do not spray on an open flame or other ignition source. P251 Do not pierce or burn, even after use. P261 Avoid breathing spray. P280 Wear eye protection/ face protection. Response: P305 + P351 + P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. P312 Call a POISON CENTER/ doctor if you feel unwell. P337 + P313 If eye irritation persists: Get medical advice/ |

| Version | | Revision Date: | Date of last issue: 17.02.2021 |

attention.

Storage:

P410 + P412 Protect from sunlight. Do not expose to temperatures exceeding 50 °C/ 122 °F.

Disposal:

P501 Dispose of contents/ container to an approved facility in accordance with local, regional, national and international regulations.

Hazardous components which must be listed on the label:

acetone 2-methoxy-1-methylethyl acetate n-butyl acetate

2.3 Other hazards

This substance/mixture contains no components considered to be either persistent, bioaccumulative and toxic (PBT), or very persistent and very bioaccumulative (vPvB) at levels of 0.1% or higher.

Ecological information: The substance/mixture does not contain components considered to have endocrine disrupting properties according to REACH Article 57(f) or Commission Delegated regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at levels of 0.1% or higher.

Toxicological information: The substance/mixture does not contain components considered to have endocrine disrupting properties according to REACH Article 57(f) or Commission Delegated regulation (EU) 2017/2100 or Commission Regulation (EU) 2018/605 at levels of 0.1% or higher.

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Chemical nature : aerosol

14.6 Special precautions for user

The transport classification(s) provided herein are for informational purposes only, and solely based upon the properties of the unpackaged material as it is described within this Safety Data Sheet. Transportation classifications may vary by mode of transportation, package sizes, and variations in regional or country regulations.

| Version | | Revision Date: | Date of last issue: 17.02.2021 |

14.7 Maritime transport in bulk according to IMO instruments

Not applicable for product as supplied.

SECTION 15: Regulatory information

| 15.1 Safety, health and environmental regulati ture | ons/legislation specific for the substance or | r mix- |
|---|--|--------|
| REACH - Restrictions on the manufacture, p the market and use of certain dangerous sub preparations and articles (Annex XVII) | | |
| REACH - Candidate List of Substances of Ve Concern for Authorisation (Article 59). | ry High : Not applicable | |
| REACH - List of substances subject to autho (Annex XIV) | risation : Not applicable | |
| Regulation (EC) No 1005/2009 on substance plete the ozone layer | s that de- : Not applicable | |
| Regulation (EU) 2019/1021 on persistent org tants (recast) | anic pollu- : Not applicable | |
| Regulation (EU) 2019/1148 on the marketing explosives precursors | and use of | |
| Acquisition, introduction, possession or use of sive precursor by the general public is subject ing obligations. | | |
| Seveso III: Directive 2012/18/EU of the European Parliament and of the Council on the control of major-accident hazards involving dangerous substances. | P3a FLAMMABLE AEROSOLS | |
| Volatile or | 2004/42/EC ganic compounds (VOC) content: < 840 g/l ent for the product in a ready to use condition. | |

Other regulations:

Take note of Directive 92/85/EEC regarding maternity protection or stricter national regulations, where applicable.

15.2 Chemical safety assessment

A chemical safety assessment according to (EC) regulation 1907/2006 (REACH) has not been carried out for this product.

Carsystem Rallye Spray Premium schwarz matt
